

Service Information

Tachographs, Telematics & Services

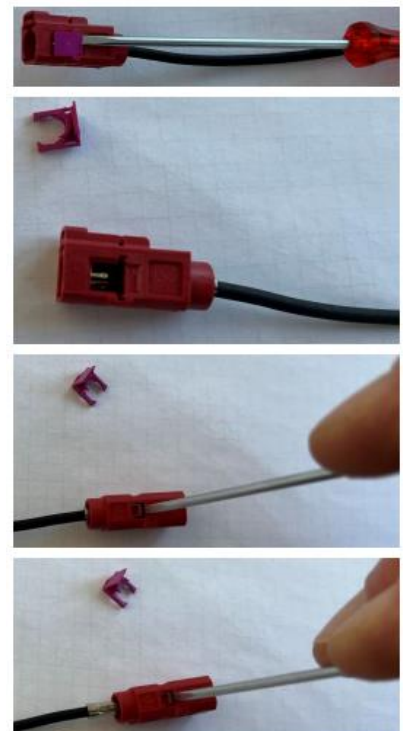

To: Technical managers / Service technicians **SI-No.:** 1000003
Subject: Remove the FAKRA connector from the DSRC cable **12.09.2023** **Page: 1**

The service information describes how the FAKRA connector can be removed from the DSRC cable to facilitate the installation of the DSRC cable in the vehicle. It applies to the following products:

- 2910002313000 – 3m DSRC cable
- 2910002313100 – 4m DSRC cable
- 2910002313200 – 6m DSRC cable

Instructions:

1. Lift up the fuse plate (purple)
2. Remove the fuse plate (purple) from the connector
3. Lift up the latching lug
4. Pull out the DSRC cable

To re-assemble this, please follow the above steps but in reverse order.
